

Barnes Area Historical Association, Inc. Cookbook Project

BAHA will be making a cookbook as a fund raiser in the next few years (It takes about 2-3 years to complete this project.).

We are sending a form for you to use when submitting recipes to make it easier for us to send in to the printer. You can print off as many as you like and enter as many recipes as you like. This form is attached to this letter.

We are also looking for interesting, funny or memorable stories connected to these recipes. Such stories may be about family meals, special occasions, funny incidents regarding a recipe, what we “had” to eat as kids as examples. Please include any family history or Barnes Area history when submitting the recipes such as names and places.

There will be quite a few different categories of recipes. Along with the usual categories that include 1.Appetizers and Beverages; 2. Soups and Salads; 3. Desserts; 4. Cookies and Candy; 4. Breads and Rolls; 5.Vegetables and Side Dishes; 6.Main Dishes; 7: This and That (A miscellaneous collection of odd groups of recipes), we will have several additional categories such as Wild Game and Preserves and Old Time Recipes from the Past. There may be more categories, but this is where we will start.

We think this will be an interesting and fun project-one that we hope will be a great fund raiser. Please help us by sending in all of your favorites as soon as possible. In the case of multiple submissions, we will try to recognize each submission depending on the recipes.

Thanks for your help in advance.

Lu Peet-BAHA Cookbook Committee
